

Freshwater Pearl Farming Training

We welcome Freshwater Pearl Culture farmers from all over the nation to join in our onsite training programs against very nominal fees . Extensive training (both theoretical & practical) will be done here by experienced trainers. Location: Madhyamgram, Kolkata.

About Us

We are a team of experienced Pearl farmers who like to make a change among aquaculture farmers in India. Our sincere effort to train every interested person about pearl farming and its bright future. Let's join us and be the part of "Make in India" mission.
